5

an-o-ther u-ni-verse and lead my team-mates home a-gain: Let's

9

go home! We have found the ring.

13

The last task is: Let's go home!

17

Dance! Come to-ge-ther. All the worlds to-ge-ther, let us dance the dance.

21

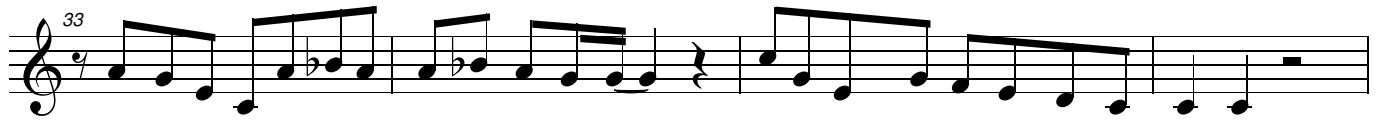

No-ow in us all rings are joined. We'll find a way home a-gain:

25

Let's go home! Mul-ti-verse, sing now!

Watch and join the dance, A - ri - adn - ne's Dance. We will pro - tect the one true Om - pha - los.

We will pro - tect the on - ly one true Om - pha - los! All the worlds are syn - chro - nized this mo - ment.

All the worlds are joined in the dance. Bring our ath - letes home! Now the mul - ti - verse is joined in

harmony. E - ven when these games end, all is not o - ver yet. No! This is just the be -

gin - ning. Friends all a - round the worlds dan - cing the la - by - rinth, that's what we have a - chieved,

that's why we dance! We have formed bonds of hope all through the mul - ti - verse,

friend - ships that will last for - e - ver. Res - cued one, to save the ma - ny worlds.

85
Yes, the one true Om-pha-los is the navel of re-a-li-ty it - self. We have formed bonds of hope all through the

mul-ti-verse, friend-ships that will last for - e-ver. Friends all a - round the worlds join A-ri-ad-ne's

93
Dance, ce-le-brate their friend-ship. What-e - ver the fu - ture may bring us: We - e -

101
ni-ted here! See all A-go-no-the - tai u - ni-ted now for-e - ver. The sport that once was

105
lost is li-ving now a-gain. The mul-ti-verse is saved! Bring us home,

109
bring us home!
