RE: "The 39 Clues: The Black Circle" Notice of Infringement

Dear Mr. Stacey,

I, the undersigned, certify under penalty of perjury that the information in this notification is accurate and that I am authorized to act on behalf of Scholastic Inc., the exclusive publisher and copyright owner (the "IP Owner") of the "The 39 Clues" book series, including but not limited to the book "The 39 Clues: The Black Circle" (the Work).

It has come to our attention that an Unfiction.com user has posted details from the Work, along with a photograph of the front cover of the Work, at <http://forums.unfiction.com/forums/viewtopic.php?t=28164>. I have the good faith belief that the items listed above are not authorized by the IP Owner, any of their agents, or the law and therefore constitute an unauthorized distribution of Scholastic's proprietary material and information. Please act expeditiously to remove or disable access to the items claimed to be infringing.

I may be contacted at the below address/phone/email. Thank you in advance for your immediate attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Ian Roderick", written over a horizontal line.
