Re: Army Units Involved In "Operation Lightning"

Top Secret Information – Eyes Only

General Radimash (WD-WA) has requested that we immediately transfer 2 (two) brigades to his command from the Djelem Garrison, where there is less insurgent activity.

Furthermore, he would like said troops, ready and prepared for action on Oct 31, 2009 for activities in and around Deltaville.

The Adjutant to General Radimash, Colonel Sponz will take care of the details.

Minister approval necessary.
