Blue  
ok, that demanded a little googling on my part but I found where to join  
the room hehe morning!  
1:09  
Fora [~Stuart@host-84-13-43-140.opaltelecom.net] entered the room.  
1:09  
Fora  
Afternoon lads  
1:14  
Red left the room (quit: Ping timeout: 240 seconds).  
1:14  
prophet left the room (quit: Ping timeout: 240 seconds).  
1:21  
Fora  
no one around I guess  
1:22  
Toj [sam.aloud@187.118.131.169] entered the room.  
1:22  
Toj  
Hello there!  
1:23  
Kora [~Kora@ip72-204-75-226.fv.ks.cox.net] entered the room.  
1:23  
Kora  
oh i figured it out!  
1:24  
Toj  
Hey!  
1:25  
Kora  
how is everyone?  
1:26  
Fora  
hullo all  
1:26  
Kora  
hello  
1:26  
Toj  
Well, sleepy. I'm going back to sleep in a couple of minutes, actually.  
Just wanted to check out what was going on. What about you people?  
hey Fora!  
1:27  
Kora  
i'm good thanks, having some lunch  
1:27  
Fora  
I reckon we should compile a list of people's usernames against their  
church names, that way we can work out if anyone is not a forum user  
Like Lizzy  
1:29  
Kora  
yeah good idea  
1:31  
Blue  
we need to be careful what we say here guys  
1:31  
Kora  
yes  
1:31  
Fora  
true  
1:31  
Blue  
i've asked everyone to check in on that forum post, because we know  
characters are not there  
i'm thinking this IRC chat will just be another information source, for us  
to move on

1:34  
Fora  
I would imagine so ...  
1:35  
Blue  
lizzie/mora is about to get in  
1:35  
Fora  
Here we go  
1:35  
Kora  
  
1:40  
Fora  
Well that was anticlimactic  
1:40  
Mora [~IceChat77@ip72-197-215-139.sd.sd.cox.net] entered the room.  
1:40  
Kora  
hello Mora  
1:40  
Mora  
Hiya  
1:40  
Blue  
hello!  
1:41  
Mora  
never done irc before...it's kinda scary.  
1:41  
Fora  
Hello  
1:41  
Toj  
Hey there, Mora. haha  
1:42  
Mora  
how are you all :3  
1:42  
Fora  
I'm pretty good thanks  
1:43  
Kora  
i'm good  
1:43  
Blue  
never before, Mora? you said you're a fan of IRC on the mails  
1:43  
Mora  
well I like the concept. and never's not true, i used mibbit once  
1:44  
Blue  
haha  
good  
1:44  
Fora  
Haven't used IRC for a while myself, not since my HLP days  
1:44  
Blue  
so what do you guys think about we start introducing ourselves? especially  
how we got to this IRC room?  
1:45  
Mora  
hehe, sure  
i'm not going first though.  
1:45  
Kora  
haha  
1:45

Blue  
lol don't get angry, Mora  
ok, i started, i can go first  
1:46  
Mora  
do eet!  
1:46  
Kora  
well i can tell you who i am but i am not sure i can tell you how i got in  
this irc room! i need a new client NOW lol  
1:46  
Blue  
ROFL  
1:46  
Mora  
i use IceChat!  
1:46  
Fora  
IceChat is good  
Also, why are you speaking in bold  
1:47  
Kora  
i installing mirc right now is that one ok?  
1:47  
Mora  
It's kinda mind-boggling though with all the buttons and stuffs  
1:47  
Blue  
that's why i love Adium  
1:47  
Mora  
i think mirc is good  
1:47  
Kora  
its probably bold because i am using trillian which is my IM client for all  
the other IM's  
1:47  
Blue  
plain and simple and easy  
1:48  
Fora  
haha, I keep getting confused between kora and mora  
and I probably would about Fora, but that is me  
1:48  
Kora  
haha i know, the names are confusing  
1:48  
Mora  
i know, these oras are terrible  
1:48  
Fora  
That said  
They go with the 3 groups  
1:48  
Blue  
oras = names in nimpik?  
1:49  
Mora  
at least everyone from my group is here  
1:49  
Blue  
yeh, i'm solo though  
1:49  
Mora  
oras, as in the names that end in ora  
  
1:49  
Fora  
so Mora, Fora and Kora are the first group, Blue red and green are the

second and Toj, Koj and Romnetora are the third?  
1:49  
Blue  
ahhhhh  
if we think times yeh  
1:50  
Mora  
toj and koj and romnetora are the second  
1:50  
Mora  
blue red and green are the chosen i think  
1:50  
Mora  
right?  
1:50  
Blue  
the colors are the last, i think, because we had to wait for a certain hour  
to begin  
1:51  
Fora  
Ahh, that makes sense  
1:51  
Kora  
ok guys i will be right back, going to see if this new client works any  
better  
1:51  
Blue  
also, the GH people have told me that:  
1:51  
Mora  
be back soon kora!  
1:51  
Kora left the room (quit: Quit: ~ Trillian Astra - www.trillian.im ~).  
1:51  
Blue  
" The First are elements (fire, earth, etc.). The Second are not elements,  
but more related to the concepts."  
1:52  
Fora  
aren't their four elements though?  
1:52  
Blue  
the concepts are joy, purity and life, i think  
1:52  
Mora  
well, china has like seven  
1:52  
Fora  
oh, ok, I can follow that  
1:53  
Blue  
i'm thinking maybe there are TWO groups, not three?  
5 elements + 3 colors?  
1:53  
Fora  
no  
1:53  
Blue  
fire, air, earth, water... and?  
1:54  
Fora  
Indeed they are. At the present time, we have the First and Second of the  
new generation. We require the Third to continue.  
1:54  
Mora  
where are you getting 5 from?  
1:54  
Fora  
That was recieved when we had 6 joingefd

\*joined  
1:54  
Blue  
Mora, we're currently 8  
3 are colors  
i'm thinking 5 are elements  
1:54  
Fora  
we're 9  
1:55  
Mora  
i think the groups are threes, so the First has 3, the Second has 3 and so  
on and so forth  
1:55  
Fora  
not 8  
1:55  
Blue  
omg, yes  
lol bad math, blue, bad math  
1:55  
Fora  
lol  
1:55  
Mora  
xD  
1:55  
Fora  
anyway, it seems like there are 3 groups of 3  
1:55  
Blue  
yeh  
1:56  
Mora  
are the chosen counted?  
because they said we needed the Third  
1:56  
Blue  
first, second and third  
1:56  
Fora  
the chosen?  
1:56  
Blue  
how do you know about the chosen anyway, mora?  
1:56  
Mora  
I asked who each group was  
1:57  
Kora [~jain\_hall@ip72-204-75-226.fv.ks.cox.net] entered the room.  
1:57  
Fora  
So the colours are chosen, the first group is elements and the second in  
Ideas?  
Wb kora  
1:57  
Kora  
well what do you know i made it back!  
1:57  
Mora  
  
yes Fora, that's what they told me  
1:57  
Kora  
but i'm still bold lol  
1:58  
Mora  
not to me  
1:58

Kora  
ok good  
1:58  
Blue  
ok  
so i'm the Third Chosen  
1:58  
Fora  
so the 9th to join overall?  
1:58  
Red [~Red@138.9.16.248] entered the room.  
1:59  
Fora  
Hello Red  
1:59  
Mora  
i think so  
1:59  
Blue  
hi red!  
1:59  
Red  
Hello  
1:59  
Mora  
hi red!  
1:59  
Red  
howdies all  
1:59  
Toj  
Well, I'm too sleepy to actually make something out. I'll still be online,  
though. My internet connection sucks anyway so it'll probably disconnect by  
itself. Hello and bye, Red.  
See you guys later.  
1:59  
Fora  
laters Toj  
1:59  
Kora  
later Toj  
1:59  
Blue  
later!  
2:00  
Mora  
bye!  
2:00  
Red  
Hi and Bye  
2:00  
Blue  
back to topic, it seems I was the 9th  
2:00  
Fora  
Hmm, that makes me the third of the First generation  
Or the Third element  
2:02  
Mora  
did you tell the Glass Heaven people the irc channel?  
2:02  
Blue  
nops  
why would i?  
2:04  
Mora  
i dunno, i suppose they don't need to know  
2:04  
Blue

that was what i thought too  
2:05  
Mora  
how many of you know will? i know fora does.  
2:05  
Kora  
i don't  
2:05  
Red  
I have emailed him a couple of times wouldn't say I know him  
2:06  
Mora  
well, know of him then  
2:06  
Blue  
i know of him as well  
i read his blog. i find it interesting  
2:06  
Mora  
i know him irl  
2:07  
Red  
I used to live in San Diego  
does that count  
2:07  
Mora  
hehe  
2:07  
Kora  
lol  
2:07  
Blue  
lol  
2:07  
Mora  
where do you live now?  
2:07  
Red  
Central Valley  
2:07  
Fora  
It was in your house that he found the leaflet for the Glass Heaven/Church  
right?  
2:08  
Mora  
hm? no that was his haus, i took it home  
that's how i got here  
2:08  
Blue  
right  
2:09  
Fora  
Oh, righth I see  
2:09  
Blue  
about that photo album you guys found at your place?  
could you scan the most interesting photos and email us?  
maybe that has something to do with GH  
2:09  
Mora  
i can't imagine they've been around that long  
i mean has anyone else heard of them before?  
2:10  
Fora  
Nope  
2:10  
Red  
honestly, no  
2:11

Blue  
no, but i think they may come from long before. just a thought though. most  
of these kind of groups come from long long ago, like the masons  
2:11  
Fora  
^^  
I can't find any mention of them anywhere, so they must be pretty secretive  
2:12  
Blue  
assuming they are somehow based in san diego, i know the Spanish Missions  
were there too a long time ago  
maybe they're connected?  
2:12  
Fora  
Perhaps they are the continuation of the Spanish Missions?  
2:12  
Blue  
could be, yeh  
2:13  
Mora  
weren't missions places that people would live like forever?  
well until they died  
2:14  
Fora  
[http://en.wikipedia.org/wiki/Spanish\\_missions\\_in\\_California](http://en.wikipedia.org/wiki/Spanish_missions_in_California)  
2:14  
Blue  
not just that. they were military and religous  
kind of like the templars  
i guess  
2:15  
Fora  
They were the first efforts by Europe to colonize the Pacific coast of the  
US as well  
It was about converting people to christianity, which probably also  
required some military precense  
2:16  
Mora  
but the Glass Heaven people don't want us to live with them on some farm in  
the middle of nowhere.  
2:16  
Blue  
for example, Mora, the place Will visited yesterday, the Balboa Park, has  
something to do with the missions  
2:16  
Fora  
Mora: We dont know that tbh  
2:17  
Kora  
a farm in the middle of nowhere sounds great to me right now LOL  
2:17  
Mora  
lol  
2:17  
Blue  
we don't know, but its their core principles as a "religion" that have  
probably remained  
2:18  
Fora  
So perhaps they are an offshoot of spanish christianity?  
2:18  
Mora  
one trippy offshoot  
"Crystalline Lord"  
2:18  
Kora  
ok I'm sorry guys but I'm going to have to go. gotta run some errands for  
the family. I'll be back as soon as I can  
2:19

Mora  
byeeee!  
2:19  
Blue  
bye kora!  
2:19  
Fora  
laters kora  
2:19  
Kora left the room.  
2:19  
Fora  
Mora: Yeah, that's true  
But yet here we are, pledging our alleigence to them  
2:19  
Red  
Mora were you there or did you see the wooden sceptre?  
2:20  
Mora  
yeah that was me  
2:20  
Fora  
Any idea what it was? Or what it was for?  
2:21  
Mora  
i haven't the faintest idea, no  
maybe...  
i dunno, my ancestors were crazy  
probably some cult ritual wand or something  
2:21  
Fora  
What do mean by crazy?  
2:22  
prophet [~snyce@138.9.16.248] entered the room.  
2:22  
Blue  
they could have been members of glass heaven!  
2:22  
Mora  
Glass Heaven's not a cult, Blue.  
2:23  
Mora  
Fora: they were into a lotta cult/occult stuff  
2:23  
Blue  
if it's not a cult, what is it then? what do you know that we don't?  
2:23  
Mora  
it's a church, duh  
2:23  
Fora  
^^  
2:24  
prophet left the room.  
2:24  
Blue  
as i understand it, every church has their cult.  
and their occult aspects too  
2:24  
Mora  
i s'pose  
2:25  
Blue  
and "branches" inside, different groups doing different stuff too  
2:25  
Fora  
It's not as if there are any signs of big rituals though  
2:25  
Mora

yeah  
2:25  
Blue  
so to me yeh, it's a cult of some sort and i think your grandparents had  
something to do with it. i may be wrong though  
2:25  
Fora  
Or sacrifices over a bloodstained alter  
2:25  
Blue  
rofl yeh  
2:26  
prophet [~Red@138.9.16.248] entered the room.  
2:26  
Fora  
wb Red  
2:27  
prophet  
crap shouldn't play with things  
2:27  
Mora  
heh  
2:28  
Blue  
so  
2:28  
Fora  
Do we get the fourth pillar now btw?  
2:28  
Blue  
i have no idea, i had no pillars to get  
2:28  
Mora  
you didn't?  
2:28  
Blue  
but considering i am blue, am i a pillar? lol  
2:28  
Mora  
or hadn't or whatever  
2:29  
Fora  
What about the fourth?  
2:29  
Blue  
existential thoughts  
2:29  
Mora  
what  
2:29  
Blue  
am i a pillar?  
and are my fellow chosen friends pillars as well?  
2:29  
Fora  
Interesting question  
2:30  
Mora  
i wonder if we all are  
i mean the groups all have three in them  
with similar names  
it stands to reason each name has something to do with a pillar  
2:30  
Blue  
yeh  
2:30  
Fora  
Perhaps the first in each group is related  
2:30

Blue  
btw, someone new has just asked to join GH  
2:31  
Mora  
?  
2:31  
Fora  
and then the second and third as well  
2:31  
Blue  
lets see. the first of the chosen is Red  
2:31  
Fora  
Kora was the first of the elements  
2:31  
Mora  
Koj is the first of the Second  
2:32  
Blue  
so red-kora-koj  
2:32  
Fora  
well, Kora-koj-red, in order 1,2,3  
2:32  
Blue  
maybe Kora means fire.  
2:32  
Mora  
maybe  
2:33  
Blue  
and koj means joy  
2:33  
Fora  
perhaps  
2:34  
Mora  
so green-mora-romnetora is the second?  
2:34  
Fora  
and Blue-Fora-Toj is the third  
2:34  
Blue  
yeh, then mora is earth?  
2:34  
Mora  
romnetora seems out of place  
2:34  
Blue  
and romnetora is purity?  
2:35  
Fora  
That is what I was thinking actually  
it doesn't fit with the patternt  
\*pattern  
2:35  
Blue  
what pattern? brb  
2:36  
Fora  
well, Blue, Red, Green  
2:36  
Fora  
Mora, Fora, Kora  
Toj, Koj, Romnetora  
something seem out of place?  
2:36  
Mora  
romnetora doesn't match the others

2:37

Fora

Something to do with the fourth pillar?

2:39

Mora

maybe

2:39

prophet left the room (quit: Quit: Leaving).

2:39

Mora

that would make him/her the fourth element name

2:39

Red

her

2:39

Fora

yes

Fire, earth, Air and water

the 4 ora's

2:40

Mora

why is she in a seperate group?

2:41

Fora

I don't know

perhaps she could be fire

The other three are all there, they are all things, fire is a bit different

2:42

Mora

sorry friends, i gotta go. i'll be back later.

2:42

Fora

laters

2:42

Red

Ok, byes

2:43

Mora left the room.

2:43

Fora

I still feel very confused

2:46

Blue

everyone is
