

Position: Data Analyst [DA]

At 88, we require DAs to analyse information discretely, without compromising the client or the company's nature whilst also ensuring that all traces are covered. The following tasks assess this nature of the work. You should not discuss this with anyone. Should you feel unable to do any/all of these tasks, please state. **This will not stand against you in interview.**

Analyse the following information, using any resources to your disposal.

88 will not be responsible for any activities you undertake or are involved in during this process.

Historical understanding

1. Arrange the following into a different sequence, explaining reasoning for doing so:

F B L H M Y X N I

Reasoning:

Verbal reasoning

2. What do the following words have in common? Explain your reasoning.

Descry
Petrous
Hierogram
Sinople
Facetious

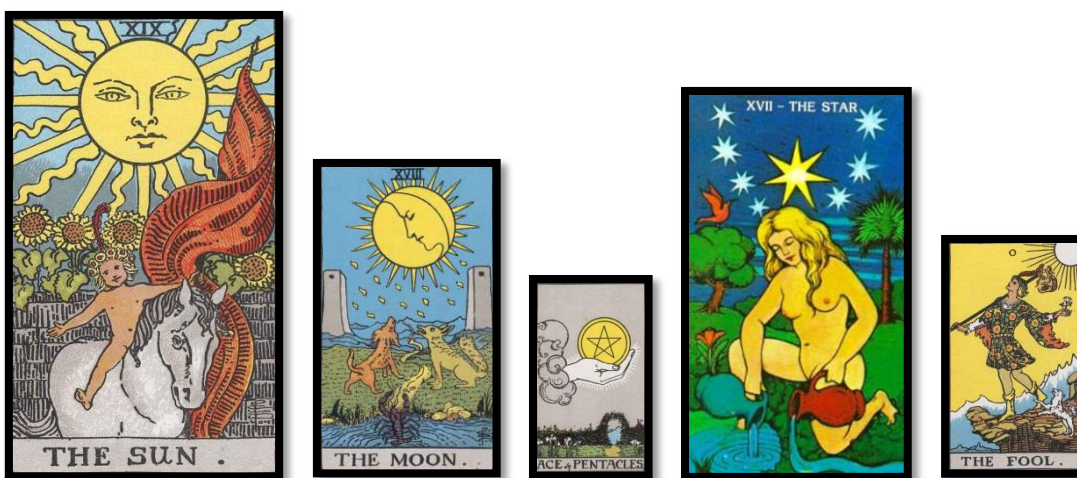

Reasoning:

Inter-personal

3. Which of your [non-criminal] friends would be most likely to commit a crime if you were to ask them to do so?
What data/information did you use to answer this – be detailed in your answering.

Inspirational

4. Which of these images is the odd one out. Why?

Reasoning:

Following completion of this to a satisfactory level, you will be asked to initiate a communiqué with a member of 88 to analyse information given to you. Please indicate your preferred manner of initiating communication:

Face-to-Face / Text / Call / Email / Written / other¹: _____

Closing date of current role: 31 August 2015

¹ Telepathic communication, dream-work and astral movement are all prevented at 88 due to security protocols
