

LIBERTY CALLS
THE BROTHERHOOD OF MODERN MINUTE MEN

Lothar Barbel, Chairman

Thank you for your interest in Liberty Calls. We're unable to respond at this time, but your interest indicates that you are a Patriot and we appreciate your support. The organization is in hiatus at this time because of the illegal interference of the Zionist occupation government.

Stand up and fight for your country!

Things you can do!

- ★ Protest Income Taxes! Stop paying income tax, which is unconstitutional. Read the book *The Federal Mafia* to see how.
- ★ Spread the truth! The rule for the Judiciary, both State and Federal, has been subtle subversion of the Constitution of these United States. The subversion and contempt for the Constitution by the Judiciary is joined by the Executive and Legislative branches of government. It is apparent that the Judiciary has attempted to alter our form of Government. By unlawful administrative acts and procedures, they have attempted to establish a Dictatorship of the Courts over the citizens of this Republic. The legal profession has, with few exceptions, conspired with the Judiciary for this purpose.
- ★ Take back the schools! Support your candidates who support the teaching of Intelligent Design!
- ★ Start a Patriot Group in your area!

WHEN WE STOP FIGHTING, LIBERTY DIES!
